SECTION 7 STATEMENTS:

Section 7 (1) (a) (i)
 Function and Structure of iGovTT

MISSION STATEMENT:

To implement superior ICT infrastructure, projects and programmes in alignment with the National ICT Plan.

VISION:

To be the premier ICT solution provider to GoRTT, enabling efficiency, increasing productivity and transforming the delivery of government services to the citizens of Trinidad and Tobago.

SCOPE OF BUSINESS:

iGovTT is a wholly owned State Enterprise which was incorporated on July 20, 2009 in accordance with the Companies Act Chapter 81:01 of the Laws of the Republic of Trinidad and Tobago. The Company acts as the implementation arm of the Government of the Republic of Trinidad and Tobago (GoRTT) in the execution and administration of Government enterprise-wide information and communication technology (ICT) strategies and programmes. iGovTT designs, procures, project manages, implements and maintains enterprise-wide ICT solutions for GoRTT, as well as provides value-added ICT support services to Government Ministries, Departments, Divisions and Agencies. The Company is charged with the responsibility of maintaining the tconnect programme, which is a suite of six (6) alternative service delivery channels for Government to interface with Citizens. The objective of tconnect is to bring Government information closer to citizens and make public services significantly more convenient and accessible through the medium of ICT.

ORGANISATIONAL STRUCTURE

The Company is headed by a Board of Directors ("the Board") which is responsible for controlling the overall direction of the Company. The Board comprises eight (8) Directors:

- Dr. Sean Roche (Chairman)
- Mr. Howard Dottin
- Mr. Deepak Maharaj
- Ms. Vashti Maharaj
- Ms. Jacqueline Morris
- Mr. Anthony Peyson
- Ms. Anastacia Samuel-James
- Mr. Anthony Tagallie

As at 31 May 2020, the Company employed one hundred and ten (110) staff members. The organisational structure, comprising eleven (11) functional Units as overseen by the CEO and the Deputy CEO is illustrated below in **Figure 1**.

RESPONSIBILITY CENTRES:

Office of the Chief Executive Officer (CEO)

The CEO ensures the sustainable growth and relevance of the Company. The CEO has the overall responsibility for the efficient operation of all line functions and is accountable for strategic management. The CEO ensures that Board approved strategies, plans, policies and systems are implemented and that the Company is in compliance with all laws and regulations governing its operation. The CEO reports to the Board and ensures widespread collaboration with key stakeholders. The CEO directly oversees the Strategy and Risk Unit, responsible for driving strategy and risk management functions. The Strategy and Risk Team Lead reports directly to the CEO. The function is further supported by a Strategy and Risk Management Committee.

Office of the Deputy Chief Executive Officer (DCEO)

The DCEO supports and advises the CEO on the affairs of the Core units. The DCEO directly oversees the operations of the Company's core lines of business, comprising Consulting, Delivery, Operations, and tconnect.

DESCRIPTION OF UNITS

1. Internal Audit Unit

This Unit is responsible for independent risk-based audits on all of the Company's operational functions to ensure compliance with approved and published Company policies and processes and compliance with statutory requirements. The Internal Audit Unit reports functionally to the Audit Committee of the Board and administratively to the CEO of the Company. A representative of the Internal Audit Unit is also required to attend and participate in the meetings of the Audit Committee of the Board.

2. Legal Unit/Corporate Secretariat

The Legal Unit/Corporate Secretariat is accountable to the Board through the Chairman for all matters relating to Corporate Governance, the Company's Corporate Secretarial duties and legal matters which concern the Board. In addition, the Legal function reports to the CEO for all Company related legal matters including the preparation and execution of contracts. The Unit serves as the secretariat for Board meetings and meetings of the committees of the Board.

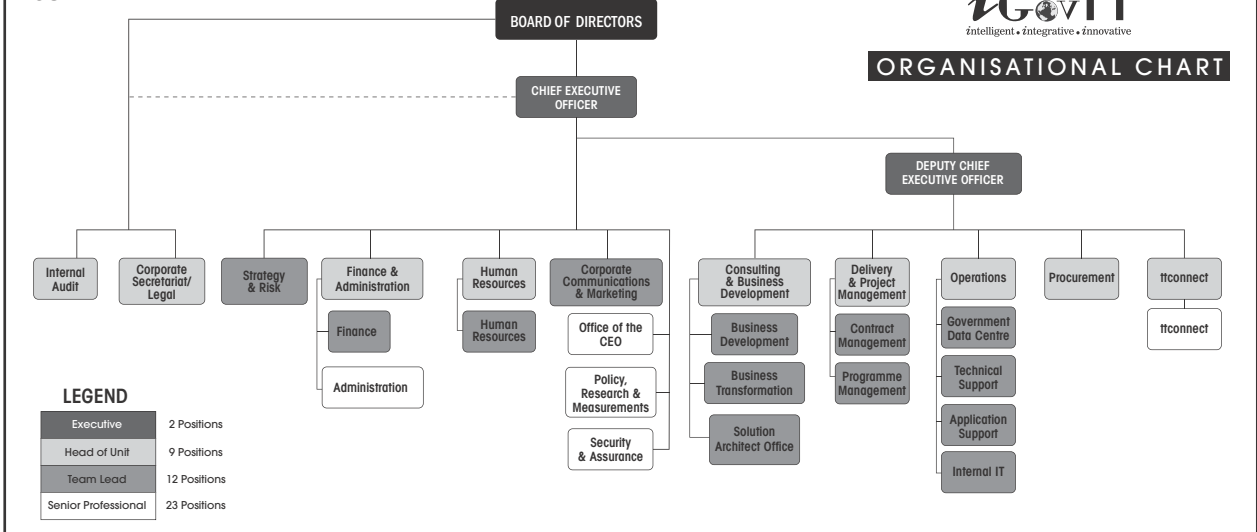

3. Corporate Communications & Marketing Unit (CCM Unit)

The CCM Unit is responsible for strategic communications and marketing initiatives, as well as internal and external communication with stakeholders.

The CCM Unit is also responsible for:

- Managing iGovTT's corporate identity and developing corporate collateral such as brochures, annual reports, speeches and press releases;
- Managing the content and design for all iGovTT web-based platforms;
- Organizing and executing internal and external stakeholder events;
- Coordinating market research;
- Developing and implementing marketing strategies for iGovTT's products and services;

- Managing the provision of security, janitorial, hospitality and other ancillary services; and
- Providing oversight on compliance with OSHA regulations to promote, implement and maintain high standards of health and safety measures in all its operations.

6. Security & Assurance Unit

The Security & Assurance Unit monitors, measures and assesses risks and vulnerabilities associated with Government's information, ICT projects and ICT infrastructure assets. This Unit's main focus is to ensure that iGovTT and GoRTT's ICT assets are adequately protected from risk through policies, initiatives and programmes that seek to maintain the confidentiality, availability and integrity of information that is processed, stored and transported by GoRTT.

7. Consulting Unit

The Consulting Unit engages Ministries, Divisions and Agencies to ensure alignment with enterprise-wide ICT initiatives and provides strategic and advisory support for their ICT programmes and projects. Specific areas of consulting include ICT strategic planning, business process reengineering, change management, human capital development, ICT policy development and monitoring and evaluation. The Consulting Unit works closely with the Line Ministry to ensure consistency with the current holistic ICT policy framework as articulated by GoRTT.

This Unit is divided into four (4) teams:

- **Business Development Team;**
- **Business Transformation Team;**
- **Policy, Research and Measurement Team; and**
- **Solutions Architect Office.**

Business Development Team (BD)

The BD Team is responsible for co-ordination of the usage of Government's ICT assets by GoRTT Ministries Departments and Agencies while aligning to the overall iGovTT strategic objectives.

Business Transformation Team (BT)

The BT Team performs digital transformation to support Ministries, Departments and Agencies in the efficient realization of GoRTT's national strategy and vision.

Policy, Research & Measurement Team (PRM)

The Policy, Research and Measurement Team is responsible for ensuring the provision of evidence-based ICT policy, advisory and research services to the GoRTT. Additionally, the PRM Team is responsible for setting up measurement frameworks and developing metrics and key performance indicators (KPIs) related to ICT Usage at the national and government levels.

Solutions Architect Office Team (SAO)

The SAO sets the National ICT infrastructure, technology direction and standards. It drives programmes and projects for GoRTT in support of the goals of the National ICT Plan.

8. Delivery Unit

The Delivery Unit focuses on the successful implementation of ICT projects through the provision of Project Management and Contract Management Services and Procurement Management. The Programme Management Office (PMO) manages and drives the execution of projects by following a standard and proven Project Management Methodology. The Contract Management Office (CMO) negotiates, manages and executes all relevant ICT contractual arrangements and offers support in the ICT procurement process. The Procurement Unit manages the overall direction, coordination and evaluation of procurement for iGovTT.

Programme Management Office (PMO)

The PMO is responsible for:

- The successful implementation of programmes/projects undertaken by iGovTT within an approved timeframe and budget;
- Providing regular consultation services, progress reports and programme dashboards to programme/project stakeholders;
- Ensuring compliance with iGovTT's Project Management Methodology & Standards, and Government-wide ICT policies;
- Performing programme/project risk management and issue management; and
- Performing vendor management tasks including first line response to vendors as it relates to project execution.

Contract Management Office (CMO)

The CMO is responsible for:

- The provision of contract management services to various Ministries and Agencies;
- The management of all ICT contracts for the GoRTT.
- The maintaining records of contractual activities and issues;
- Client/supplier relationship management;
- In-contract negotiations;
- Risk management;
- Monitoring of contract deliverables; and

- Providing periodic reporting to the iGovTT Executive Management and the Board on procurement activities, controls and processes.

The Procurement Unit is also required to attend and participate in the meetings of the Tenders Committee of the Board.

9. Operations Unit

The Operations Unit comprises four (4) Teams namely the Government Data Centre, Technical Support Team, Application Support Team and Internal IT.

Government Data Centre (GDC)

The GDC team is responsible for:

- Managing the Government Wide Area Network (GovNet) which provides network connectivity and ICT services to GoRTT Ministries, Agencies and Departments for email, directory services, filtered internet and secured communications;
- Ensuring the design, setup, operation and maintenance of the Data Centre facilities and other hosting services according to relevant internationally recognized governance and service standards;
- Utilizing an International Standards-Compliant Operations Management Framework (ITIL) to facilitate day-to-day operations and activities such as system migration, backup & recovery, system monitoring and problem escalation.

Technical Support (TS)

The Technical Support team is responsible for:

- Managing the GoRTT Enterprise Software Contracts for productivity and endpoint security;
- Ensuring the proper installation, setup and maintenance of client's centralized applications and other desktop services according to relevant internationally recognized governance and service standards;
- Engaging in and facilitating research on new technologies and applications, and plans for capacity, growth and technology refresh for installed applications; and
- Provide approvals for the procurement of computer hardware and software to GoRTT agencies, in accordance with the Ministry of Finance Annual Call Circular which state that requests for computer equipment should be supported by the recommendation of iGovTT.

Application Support (AS)

The Application Support Team is responsible for:

- Managing the GoRTT Enterprise Portal (tconnect Portal) solution and the tconnect ID, as the single authentication service for accessing GoRTT eServices;
- Ensuring the design, setup, operation and maintenance of the GoRTT centralized applications and other business related application services according to relevant internationally recognized governance and service standards; and
- Engaging in and facilitating research on new technologies and applications, and planning for capacity growth and technology refresh for installed services and applications related to the tconnect Portal.

Internal IT

The Internal IT Team is responsible for the Internal ICT and information systems of iGovTT. This includes:

- Managing vendors and suppliers of IT goods and services to ensure quality and value of services;
- Managing the transition of IT services to minimize the impact on business processes;
- Developing and maintaining policies, procedures and guidelines governing the use of ICT tools and information systems within the Company;
- Ensuring compliance of iGovTT with the approved IT standards and legislation;
- Planning for and maintaining systems to mitigate against the loss of corporate information in the event of infrastructure failure or disaster; and
- Providing operational support to Company stakeholders in their use of ICTs.

10. tconnect Unit

The tconnect Unit is responsible for:

- Operating under the brand of "tconnect" to provide a one-stop shop for the public to access public services. This Unit focuses on operationalizing the public interfaces and delivers customer-facing information and services to citizens and businesses on behalf of its clients (such as Government Entities, Non-Government Organizations and Commercial Merchants where feasible);
- Operating multiple delivery channels namely the Service Centres and Express Bus to deliver public services while the Portal, Mobile Portal, Kiosks and Hotline provide information on Government services;
- Working with the BD team to expand its current client base of Government entities and the services they provide to the public via tconnect's multiple channels as appropriate;

EFFECTS OF SCOPE OF BUSINESS ON MEMBERS OF THE PUBLIC:

The Company's operating policies and procedures are developed in accordance with the rules and guidelines established by the State Enterprises Performance Monitoring Manual (SEPM) and relevant Laws and Regulations as well as national policies. The scope of iGovTT's operations focuses on the support of Public Sector transformation through the adoption and implementation of ICT solutions. These transformation solutions are aimed at either improving the effectiveness of the respective Ministries, Departments or Agencies (MDAs); implementing platform solutions that could be shared by multiple organisations, reducing duplicate expenditure and capitalising on economies of scale through shared platforms; or in the delivery of citizen centric government services. Each of these types of solutions are aimed at reducing government expenditure, ensuring compliance with legislation, regulations and policies while enabling a more effective government service and increasing the reach of government services to the citizens through digital and online media to increase the ease of doing business with government. Since iGovTT's target stakeholders are the MDAs, through the company's Business Development Team focus is placed on direct engagements or through established forums such as the Government IT Leadership and Advisory Council (GILAC) to address their specific needs; the company relies on their sector expertise to guide the system requirements. As a result, in the matter of operating policies and procedures, the Company does not hold public consultations.

Section 7 (1) (a) (v)**Procedure to be followed when accessing a document from iGovTT.****HOW TO REQUEST INFORMATION****General Procedure**

iGovTT's policy is to answer all written requests for information. In order to utilize the rights granted under the Freedom of Information Act (FOIA) (for example the right to challenge a decision if a request for information is refused) the request must be made in writing. The applicant must therefore, complete the appropriate form entitled **Request for Access to Official Documents**, for information that is not readily available to the public. These forms can be obtained from the receptionist at iGovTT's Head Office, Lord Harris Court, No. 52 Pembroke Street, Port of Spain or online at www.foia.gov.tt.

• Addressing Requests

To facilitate prompt handling of your request, please address your correspondence to **The Designated Officer of National Information and Communication Technology Company Limited**.

(See Section 7 (1) (a) (vi) for further details)**• Details in the Request**

Applicants should provide details that will allow for ready identification and location of the records that are being requested. If insufficient information is provided, clarification will be sought from the applicant. If the applicant is unsure of how to write a request or what details should be included, communication should be initiated with the Designated Officer who will then provide guidance and direction.

Requests not handled under the FOIA

A request under the FOIA will not be processed if it asks for information which is readily available to the public, either from iGovTT or from another public authority, for example, brochures, pamphlets, reports including online publications.

Responding to your Request**• Retrieving Documents**

iGovTT is required to furnish copies of documents only when they are in the Company's possession or if they can be retrieved from storage. iGovTT will also access information stored in the National Archives or another storage center in order to process requests.

• Furnishing Documents

An applicant is entitled to copies of documents that iGovTT has in its possession or documents that are published under the organisation's custody or power. iGovTT is required to furnish at least one copy of a document. If a legible copy cannot be located, iGovTT may not attempt to reconstruct the document. Instead, the best copy possible will be furnished and iGovTT will inform the applicant via official correspondence.

Please note that iGovTT is not compelled to do the following:

- (a) Create new documents.
- (b) Perform research on behalf of the applicant.

THE UPDATED 2019 PUBLIC STATEMENT OF NATIONAL INFORMATION AND COMMUNICATION TECHNOLOGY COMPANY LIMITED
IN COMPLIANCE WITH SECTION 7, 8 AND 9 OF THE FREEDOM OF INFORMATION ACT (FOIA) 1999

Time Limits**• General**

The FOIA sets a time limit of thirty (30) days for determination of requests for access to documents. If an organisation fails to meet this deadline, the FOIA grants the applicant the right to proceed as though the request has been denied. In this regard, iGovTT will be diligent in complying as closely as possible with the time limit. If processing of the request seems to be stretching beyond the statutory limit, iGovTT will advise the applicant of the delay. It is important to note that requests may sometimes be incorrectly addressed or misdirected. Consequently, applicants are welcome to call or write to iGovTT to confirm that the request was received and to ascertain its status.

• Time Allowed

iGovTT will determine whether requests for access to information will be granted within the statutory timeframe "as soon as practicable but no later than thirty (30) calendar days" as required by Section 15 of the FOIA. If a decision is taken to grant access to the information requested, the applicant will be permitted to inspect the documents and/or be provided with copies.
